

406 RETREATS PRESENTS

THE FIRST MONTANA KETAMINE RETREAT

Designed for KAP Therapists 2022

September 8-11, 2022

Retreat Package Cost: \$2,022USD

Welcome to this group Ketamine journey and KAP facilitation training, provided by Kristin Stratford LCPC.

Kristin is a fifth generation Montanan and has been working with human Ketamine therapy for over 2 years. She has an excess of 1000 hours with Ketamine IV, IM, and oral therapy. She looks forward to assisting you and your business to live with passion! Alongside Kristin is a registered nurse and assistant with three years of ketamine clinic experience will be onsite for group ketamine experience, and will answer any of your burning questions.

Experienced or novice therapists. First ketamine experience welcome. Join colleagues, ketamine, and nature in a majestic set and setting; a transformational experience; for you, and your business.

Retreat Includes: Up to 6 Therapists

Included with Attendance:

- Lodging for all three days
- Transportation to/from Airport to Retreat Center
- Transportation provided during the duration of your stay in Seeley. (10 mile radius)
- Meals - All meals included except dinner Friday & Saturday
- Two guided group Ketamine sessions (minus ketamine) with registered nurse onsite
- KAP Facilitation Training (4 hours)
- Pontoon boat excursion

Location:

Settings play an important role in ketamine experiences. Seeley Lake, Montana is nestled at the base of the Mission and Swan mountain ranges on one of Montana's most scenic drives. Enjoy the serenity of Montana. Jump in the lake, take a hike, paddleboard/ kayak while watching bald eagles, or simply rest under the pine trees in hammocks.

For purchase inquires contact Kristin at (406) 544-2833
